

**Press
RELEASE**

The CMF takes part in Global Seminar and in the Executive and Macprudential Committees of the International Association of Insurance Supervisors (IAIS).

July 19th, 2018.- The CMF reports that Commissioner Kevin Cowan will take part in the Executive and Macprudential meetings of the IAIS, and in the Global Seminar organized by the same entity. The activity will take place in Moscow, Russia, between July 23rd and 27th of the present year.

The Executive Committee will address topics on risk linked to climate change for the insurance industry, ComFrame (Common Framework for the Supervision of Active Insurance Groups), and cyber security, among others.

Furthermore, Commissioner Cowan will take part in the 11th Global Annual Seminar of the IAIS, where topics such as insurance in inclusive economic development, holistic framework of systemic risk mitigation, and other topics, will be addressed.
