

CV – Dr. Sebastian von Dahlen

As a Principal Administrator Sebastian von Dahlen is responsible for the field of reinsurance at the Secretariat of the International Association of Insurance Supervisors (IAIS), Basel, Switzerland. He studied economics and natural sciences at different universities, including a period as research fellow at the University of California at Berkeley. Among his previous (re-) insurance related practical experiences are a stay at the Colonia Insurance Company in New York City and a position at the German Federal Financial Supervisory Authority (BaFin).
