- *The broker was censured.*

September 15, 2025 – The Board of the Financial Market Commission (CMF) sanctioned Outsourcing Internacional Corredores de Seguros Limitada through [Exempt Resolution No. 9,170](#) with censure for failing to submit its audited financial statements as of December 2022 in a timely manner, thus infringing upon Circular Letter No. 2,137.

Outsourcing Internacional Corredores de Seguros Limitada was mandated to submit its duly audited financial statements as of December 2022 no later than March 1, 2023, but it sent this information past the allotted timeframe.

The sanctioned conduct obstructs the CMF's supervisory work and makes it harder for the market to know the intermediary's financial situation.
