

CMF updates Mutual Funds Portal with information as of March 2026

The Mutual Funds Portal provides clear, simple information on profitability, costs, portfolios, and industry activity.

July 31, 2026 — The Financial Market Commission (CMF) updated its **Mutual Funds Portal** with information as of March 2026 and will continue its quarterly updates to the Portal in line with its objective of providing all the relevant information to investors and the public to make informed decisions.

As of March 2026, the mutual funds industry in Chile manages total investments exceeding USD 101 billion and has over 3.8 million participants, consolidating itself as one of the key sources of savings in the Chilean economy.
